

Unit 10

Sentence starters...

Preparation: None

1. Have each student tear a piece of paper into four squares.
2. Dictate the following *sentence starters*. Students write what you say and complete each sentence so it is true.

Sentence starters:

- During the next vacation, I'm going to
- Next summer, I might...
- Next Sunday, I'm going to...
- Someday, I'll...

3. Students work in groups of 4-6. They mix all their sentences together. One student chooses a sentence and reads it aloud. Then that student guesses who wrote it. If s/he is right, s/he gets one point. If s/he is wrong, any other student can guess who wrote it.

Optional step: When a guess is right, the person who guessed asks one follow-up question.

4. The student who wrote the sentence chooses the next sentence starter and continues.
