

Unit 7

Speed sentences

Preparation: Photocopy these word cards. You'll need one copy for each group of 3-4 students. If possible, enlarge them and copy on thick paper. Either cut the cards apart or have student do so during class. If you want to reuse the cards, prepare an envelope for each set.

Procedure:

1. Students work in groups of 3-4. They place all the cards face down on a desk. One student takes a card and reads it aloud. The others race to be the first to say a sentence containing that word in the past tense. That student collects the card and gets a point. That same student chooses the next word and reads it aloud.
