Hello. My name is JinKyong Park. I'm 21 years old. I'm from Seoul, Korea, but I'm on a study abroad program in the U.S. this year. I study English and art at New York University. I want to be a translator when I graduate next year.

When I'm not working on my own art, I go to museums and galleries with my friends. There are so many to visit in New York. I also enjoy dancing and listening to music. Salsa music is my favorite. I go salsa dancing at Club Baraza every weekend. I'm not very good yet, but it's so much fun! I have a part-time job as a waitress at a Korean restaurant called Bonjoo. The food is really good, and I meet a lot of interesting people there. I love living in New York City, but I miss my family and friends in Korea.
